

Other Information

Home Learning

Spellings are sent home on Friday to be learnt in preparation for a test the following Friday. Home Learning will be sent home on a Friday and will be collected in on the following Wednesday. The children have their own log-in details to access Times Tables Rock Stars.

Home Reading

Every child has been given a reading book and reading journal. In addition, please encourage your child to read a variety of materials, such as newspapers and magazines. Reading journals need to be returned to school every Monday for monitoring.

PE

PE lessons take place on Wednesday. Please ensure that your child has their pumps or trainers in school. Earrings must be removed for PE lessons and long hair tied up.

Year 3 Newsletter

Summer Term 2023

Welcome

Dear Parents and Carers,

This newsletter is an overview of the learning your child will be completing during the Summer Term.

Our learning in geography, history and art will be centered around the Egyptians - a topic which the children are eager to learn about.

If you require any further information about your child's learning, please speak to any member of the Year 3 team.

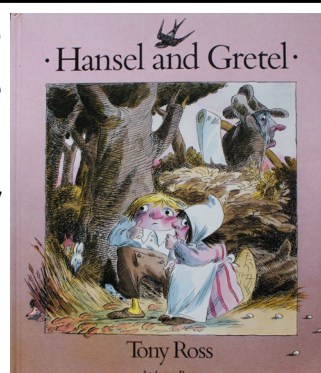

Yours sincerely,

Mr. Hayes, Mrs. Barlow and Mrs. Kent

Year 3 Staff

English

Our learning in English will be based around the fairytale 'Hansel and Gretel'. In the story, Hansel and Gretel are abandoned in a forest where they fall into the hands of a witch who lives in a house made of gingerbread. After they have familiarised themselves with the story, the children will write a recount of the key events of each chapter. When reading, the children will develop their inference skills and focus on the effect of vocabulary choices.

Mathematics

During the term, the children will:

- ♦ Add and subtract fractions with the same denominator.
- ♦ Record and compare time in terms of seconds, minutes and hours.
- ♦ Convert, add and subtract money with change.
- ♦ Recognise different angles and describe both 2D and 3D shapes.
- ♦ Interpret and draw pictograms and bar charts.
- ♦ Collect and represent data.

Science

As part of our learning in science, the children will be looking at forces and magnets.

They will be learning to identify:

- ♦ How objects move on different surfaces.
- ♦ The different forces of objects.
- ♦ What a magnetic force is.
- ♦ Magnetic and non-magnetic materials.

Creative Curriculum

During our unit of work about the Egyptians, the children will learn about:

- ♦ Where Ancient Egypt is placed on a timeline.
- ♦ The structure of Egyptian society.
- ♦ The end of the Ancient Egyptian civilisation.
- ♦ The famous structures of Ancient Egypt which still remain.

Personal, Social, Religious and Emotional Development

In Religious Education, the children will be exploring the questions 'What kind of world did Jesus want?' and 'How and why do people try to make the world a better place?'

In PSHE this term, the children will learn about health and wellbeing. They will learn about making healthy choices and habits and their own personal strengths and achievements.

PE

During PE lessons, the children will develop the athletic skills of running, throwing and jumping. They will be working to improve their personal best scores.

The children will learn to play games using a racket and learn control and consistency.
