

Week	Which part of the area:	Main area:
	Autumn 1	
1	Baselines/ Getting to know the class	Settling In/ Baselining Numbers to 5 (Including NCTEM Mastery) Introduction to Subitising and odd and even number language (to run alongside each number)
2	Careful counting to 10 w/ Numbers 1, 2	
3	Sorting into groups Numbers 3, 4	
4	Comparing quantities - identical and non-identical w/ Number 5 +	
5	Comparing size Length and Height	Measurement - Length and Height
6	Introduce Numicon - more and less - subitise	Addition and Subtraction (Sorting and within 5) (EXE - to 10) Odd and Even number patterns
7	Odd and Even Numbers and one more/less	
8	Recap 2D Shapes and Pattern	
	Autumn 2	
1	Introduce 3D Shapes	3D Shape
2	Number bonds to 5	Number bonds to 5
3	Recapping number bonds to 5	Recapping number bonds to 5
4	Recall more and less w/ Numbers 6 and 7	Numbers to 10 (Including NCTEM Mastery) Place Value - one more/less Recapping odd and even numbers Subitising for each number
5	Continue with more/less or introduce Add and Subtraction w/ Number 7 and 8	
6	Number 9 and 10 Position and Direction	Numbers to 10 (Including NCTEM Mastery) Position and Direction
7	Consolidate	Consolidate
	Spring 1	
1	Time vocabulary and days of the week	Time
2	Comparing groups w/ Number bonds to 10	Odd and Even numbers and number bonds to 10
3	Number bonds to 10	Addition and subtraction - number bonds to 10 -move to place value
4	11 - 20	
5	Estimation linking in subitising and number bonds	Teen numbers Estimating
6	Money	Money
7	Discussion of terms, language and physical use of measure	Weight and Volume

Spring 2		
1	Addition and subtraction with composition of numbers to 10/introduce concept of sharing	Back to addition and subtraction Sharing introduction
2	Recap Number bonds to 10 Mental recalling	Recap number bonds to 10 Addition/subtraction
3	Recap odd and even numbers	
4	Sharing equally	Sharing equally Shape, Space, measure
5	Recapping 3D Shape - Properties	
6	Consolidation	Consolidation
Summer 1		
1	Recapping counting to 20 and beyond	Place Value
2	Recognising numbers to 20	Place Value (to 20)
3	Doubling, Halving and sharing	Doubling
4	Doubling, Halving and sharing	Halving
5	Recapping Time	Time
6	Recapping Money	Money
Summer 2		
1	Recapping weight/ length/ volume / position	Shape, space and Measure
2		
3	Addition and Subtraction Revision	Place Value
4	Addition and Subtraction Revision including Number Bonds to 5 and 10	Addition/subtraction Recap number bonds to 10
5	Consolidation / Assessments	Consolidation / Assessments
6	Consolidation / Assessments	Consolidation / Assessments
7	Consolidation / Assessments	Consolidation / Assessments
